

In The Name of Allah

AGREEMENT-1

Detailed Implementation Plan (DIP) for Memorandum of Understanding (MoU), signed on 2021/12/07, between the Graduate Faculty of Environment of University of Tehran and the College of Environmental Sciences at Al-Qasim Green University

Following the memorandum of understanding between the Faculty of Environment of University of Tehran, Iran and Al-Qasim Green University, Iraq, this DIP with its four attachments and in three languages presented as follows:

1. Holding the first international conference on Environmental pollutions in the Middle East region
2. Facilitating the admission of Iraqi students under joint supervision between the Academics of Al-Qasim Green University and University of Tehran
3. Establishing the first Iraqi Environmental Techno-Park at the College of Environmental Sciences at Al-Qasim Green University
4. Suggesting the establishment of new disciplines in the field of environment at the College of Environmental Sciences at Al-Qasim Green University

Duration of the DIP:

This DIP is into force as per the dates of MOU and can be extended upon the written agreement from both parties.

Both parties are committed to evaluate the progress of the DIP in a shared executive committee which shall be held regularly every three months.

Note:

The implementation of this DIP will be upon getting the necessary approvals from the Iraqi Ministry of Higher Education and Scientific Research and Iranian Ministry of Science, Research and Technology.
